If changes are made following the Order Confirmation, SPARCO will inform the Purchaser on a timely basis. WARRANTY AND RETURN PROCEDURES

SPARCO Products are warranted against manufacturing defects for a period of 2 (two) years from the date of purchase. This warranty is void if Products are altered and/or used and/or maintained improperly, as determined with reference to the User and Maintenance Manual (when supplied). Manufacturing defects must be notified to SPARCO within 30 (thirty) days from the date of delivery.

With regard to material or manufacturing defects, howsoever arising and with whatsoever consequences, SPARCO shall only be required to replace, repair or credit the price for the defective product, at its sole discretion. All complaints and returns under warranty must be authorised in writing by SPARCO before the Products are returned. Such authorisation will be given or refused on the basis of the description of the defect/complaint and the evidence provided by the Purchaser.
